

Eagle Vision Partner Letter

Look at What the Lord Has Done!

January 2004

Dear Partner,

Happy New Year! We pray that you had a blessed Christmas and an enjoyable New Year's Celebration. We are expecting God to move more in 2004! As the Word says in **Proverbs 23:18** ...thine expectation shall not be cut off.

We pray this letter finds you praising and glorifying God, the Most High. David said in **Psalm 34:2** My soul shall make her boast in the LORD: the humble shall hear thereof, and be glad. In **Revelation 12:11** it says And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death. January marks the beginning of a new and exciting year for the Believers who have stayed in step with God. We know that the best is yet to come for us. I believe that 2003 was a year of preparation. I believe that we will experience more manifestations of God's goodness this year, like never before.

As I was seeking the Lord about what to write, it seemed good to the Holy Spirit to share some (of many) testimonies of the great things that the Lord did in the year 2003 as we press forward into 2004.

The Christmas Tree Man: Ye Have Not Because Ye Ask Not

Deirdre, Micah and I went to purchase a Christmas tree one cold night in December. We joked around with the salesman. We began to try to negotiate a price for the size tree that we wanted. Later the man asked what we did for a living and we told him. All of a sudden, he looked up to Heaven and lifted up his hands and said "Let me see if I can hear the Holy Spirit talking to me." And then he replied, "Okay. You can have it at the price you offered." After he cut the tree and tied it down on top of our truck, he asked us to pray for him to be delivered from the tobacco addiction. The man immediately spit out his tobacco and we all held hands and prayed. We began to laugh and praise God. Then he gave Micah a total of four toys and gave us some money to sow a seed into the ministry.

Wal-mart Conversion: Jesus Goes to Wal-mart

One day I was in Wal-mart and I started talking to a man in front of me. I ended up leading the man to the Lord as we were in Wal-mart.

Rest Home Ministry: Ladies Delivered and Restored

I minister on a regular basis in a rest home. One night as I was ministering, I noticed a little woman crouched over facing the wall (with her back facing me) and she was making mumbling noises. As I was giving the altar call for salvation, I got closer to her. I laid my hands on her arm and commanded the devil to take his hands off of her life. She ended up giving her life to the Lord. As she was being wheeled out of the room, she gave me a high five and began to smile. Even the rest home worker said "You must have cast the devil out of her." And she wanted information on where our church is located.

That same night, another lady was trying to leave the room, but she could not get out. She ended up staying and giving her life to the Lord. The scripture says in Genesis 18:24 Is anything too hard for the Lord. (This question includes your saved relatives.)

Gasoline Conversion

One day as I was coming out of the Rest Home, I was met by two ladies carrying a gas can. The ladies asked me to get them some gas. I went to the store and filled up the container with gas. I came back and as I was pouring the gas in the vehicle, I asked them if they knew Jesus. They both replied "No.", so I asked them if I could pray with them. After pouring the gas, I led them both to the Lord. The presence of the lord fell on us so strong.

Money Cometh

One day my mother was sitting in my car waiting while I was at the bank. A man came up to the car and gave her some money. He said that the Lord told him to give it to her. My mother had never seen that man before. She did not know him. God can send money from anywhere and use anyone!

Take the Limits Off Of God

A couple came to our church recently for the first time. They purchased a brand new podium/pulpit for us. It was the best one available. God's people don't have to settle for less than God's best! God said that He would do exceedingly abundantly above all you can ask or think (Ephesians 3:20).

Setting the Captives Free

I go to the prison to minister from time to time. God always moves in a powerful way. I was asked to be the Keynote speaker for one of the graduation ceremonies. On December 21, 2003, during the graduation, God moved so strong that a man gave his life to the Lord during the ceremony. Many others had me pray for them. Some of the men want to be a part of the church upon their release.

Tea Time

The Women Of Excellence had an awesome time during their Christmas Tea Party last month. They were the talk of the Tea Room. They dressed up in their 'Sunday Best' with matching hats and enjoyed their time away from it all and relaxed with good food and conversation.

In **Psalm 91:2** says it is a good thing to give thanks unto the Lord and to sing praises unto thy name O most high. God is so good and we just wanted to share some of the many testimonies of what God is doing through this ministry. Thank you so much for your prayers and financial support and encouragement. As a result of your faithful support 48 souls have been saved.

I pray that this letter has blessed you. Remember to **stay focused** this year to accomplish all that you desire.

Love,

Harold M. Council

The purchase of a Podium/Pulpit was one of our goals for this year and it has already been purchased (Praise God). We also had a goal of getting a tape duplicator and that has been purchased also (praise God again). One of our next goals is to purchase new sound equipment so that we can begin taping services. We know that it's coming!
