

Eagle Vision Partner Letter

Keep it Moving!

June 2005

Dear Partner,
I pray this letter finds you experiencing the goodness of God!

This month we are going to talk about the importance of continuing to make progress in your walk with God! It's so easy to allow yourself to get stuck in hurt, pain, suffering, average, disobedience and barley making it. The Bible says in **Exodus 14:15** And the LORD said unto Moses, Wherefore criest thou unto me? speak unto the children of Israel, that they go forward: It wasn't God's responsibility to make them go forward, it was their responsibility to go forward. The Holy Spirit is a Helper, but it is not His role to do it for you.

In Raleigh, NC there is a traffic reporter on a local news channel who says to listeners, "...keep it moving people." If one car stalls in traffic it will delay the progress of others. We should all be striving for a certain destination but so many times people get stuck halfway through the process. We all have a process that God has ordained for our lives.

One of the main areas that I've seen people get stuck is the barrier of hurt and pain. I realize that some situations take more time than others, but we must make the choice to forgive and forget in order to continue to make spiritual progress.

Ezekiel 47:9 says And it shall come to pass, that every thing that liveth, which moveth, whithersoever the rivers shall come, shall live: and there shall be a very great multitude of fish, because these waters shall come thither: for they shall be healed; and every thing shall live whither the river cometh. As long as we move with the water, we'll be healed. The water is symbolic of the Holy Spirit. **When we cooperate with the Holy Spirit we are empowered to prosper!** Only the stagnant things become stuck. There were some men in the Bible in **II Kings 7:3** who had the perfect opportunity to give up, but they made a choice to keep moving and as a result they experienced breakthrough.

II Kings 7:3-8 ³And there were four leprous men at the entering in of the gate: and they said one to another, Why sit we here until we die? ⁴If we say, We will enter into the city, then the famine is in the city, and we shall die there: and if we sit still here, we die also. Now therefore come, and let us fall unto the host of the Syrians: if they save us alive, we shall live; and if they kill us, we shall but die. ⁵And they rose up in the twilight, to go unto the camp of the Syrians: and when they were come to the uttermost part of the camp of Syria, behold, there was no man there. ⁶For the LORD had made the host of the Syrians to hear a noise of chariots, and a noise of horses, even the noise of a great host: and they said one to another, Lo, the king of Israel hath hired against us the kings of the Hittites, and the kings of the Egyptians, to come upon us. ⁷Wherefore they arose and fled in the twilight, and left

their tents, and their horses, and their asses, even the camp as it was, and fled for their life. ⁸And when these lepers came to the uttermost part of the camp, they went into one tent, and did eat and drink, and carried thence silver, and gold, and raiment, and went and hid it; and came again, and entered into another tent, and carried thence also, and went and hid it.

Your victory has already been established also. It's already done in the spirit; just pull the manifestation into the natural with your faith (Your faith is your withdrawal slip). **Faith is the producer of the promises. Faith allows you to see beyond your present state and make a withdrawal from your future.** Your victory has been destined from the beginning. Just walk towards it like these lepers did. But remember their breakthrough happened because they made a decision to keep moving, until they reached breakthrough!

Steps to Keep Moving Forward

- (1) Apply action to what you believe
- (2) Act like it is true
- (3) Know that God is moving even when you don't see anything in the natural yet
- (4) Keep smiling because the joy of the Lord is your strength
- (5) Get ready because your faith is about to produce your miracle.
